

Examples of how to make money from personal entrepreneurship:

 **With the F2C System, Anyone with a Dream Can Start a Business!**

 **F2C Personal Entrepreneurship Income Simulation (Based on Daily Transactions)**

Assumptions & Setup

| Item | Data |
|---------------------------------------|---|
| Number of Merchants | Self-developed: 30 partner merchants |
| Daily Transaction Volume per Merchant | \$2,000 USD |

Average Merchant Profit-Sharing Ratio **31%**

Time Basis **30 days per month**

 **Breakdown of Income Sources**

1 Merchant Referral Reward (4%)

Daily Income:

$$30 \text{ merchants} \times \$2,000 \times 30\% \times 4\% = \mathbf{\$720/\text{day}}$$

Monthly Income:

$$\$720 \times 30 = \mathbf{\$21,600/\text{month}}$$

2 Member Referral Reward (7%)

Assumption: Each merchant has an average of **1,000 members**, totaling **30,000 members**

Daily Income:

$$30 \text{ merchants} \times \$2,000 \times 30\% \times 7\% = \mathbf{\$1,260/\text{day}}$$

Monthly Income:

$$\$1,260 \times 30 = \mathbf{\$37,800/\text{month}}$$

 **Total Income (Excluding Cross-Region Transactions)**

- **Daily Total:** $\$720 + \$1,260 = \mathbf{\$1,980/\text{day}}$

- **Monthly Total:** $\$1,980 \times 30 = \$59,400/\text{month}$
 - **Annual Total** (assuming GC price remains stable):
 $\$59,400 \times 12 = \$712,800/\text{year}$
 - **If the F2C token price doubles:**
 $\$712,800 \times 2 = \$1,425,600/\text{year}$
-

 **Additional Potential Income (Not Yet Included)**

- **Referral rewards from cross-region member transactions**
(Difficult to estimate currently, but potential grows rapidly as user base and merchant networks expand)
-
